All cows with calves at foot are proven breeders and no further guarantee will be given. All other females that have been bred are guaranteed breeders. Cows that are past four months this guarantee is enough. All bulls of a breeding age are guaranteed breeders, with proper care. If any animal should not measure up to this guarantee, it can be returned after a reasonable time to us, in good condition, and another animal of equal value will be sent to replace it, or, if that cannot be done, money will be refunded. All animals will be at purchaser's risk as soon as bid off, but will be put on board of cars free of charge. Everything kept until quarantine is lifted and cattle can be shipped. Health certificate will be given with every animal.

Terms

Cash or a few months time will be given, with interest at 6% to responsible parties furnishing good bank references.
